

Dr. (Mrs.) A. V. Deshpande

Asstt. Prof.,

M. Sc., Ph. D. (Physics)

Teaching Experience : 18 years

Guiding Experience : 1 Ph. D. Completed, 1 ongoing.

Research Interest : Solid Electrolytes, Ferroelectric RAMs,
Nanomaterials.

Publications : 15 [Intl J. : 5 Int. Conf. : 5, National Conf. : 5]

Participation in Conferences :

International Conf. : 3 (Australia, Germany, Chennai, India, Coimbatore)

National conferences: 4

Academic responsibilities:

- Worked as Coordinator for laboratory development for M. Sc. (Physics) in 2012-2013.
- Worked as Library in-charge.
- Developed the lab for Electronics Practical for M. Sc. (Physics) students.
- Developed new courses for M. Sc. (Physics)

Organization of Seminar :

Co-convenor, National Seminar on Advanced Applications of glasses (NSAAG-2010) in March 2010.

Research Projects:

- Co-PI in one project completed (IGCAR).
- Co-PI in one on-going project (BRNS).
